

**Residential Energy Efficiency Program
Rebate Application
Effective 1/1/12 thru 12/31/12**

Application Instructions

1. Attach copy of your receipt detailing necessary information
2. Return to Wabash County REMC within 30 days of purchase

Applicant Name (please print)	Phone Number	Account No.
Installation Address	City	Zip
Mailing Address	City	Zip

DESCRIPTION	Size/ Tons	Rebate Amount	Brand	Model No.	Purchase Date
Electric Water Heater \$100 for first \$150 for second (geo. installation) New construction or 10+ years electric or gas replacement					
Geothermal \$150/ton \$750 Maximum					
Air Source Heat Pump (min. 15 SEER) \$125/ton \$625 maximum ARI Certificate required					

By signing below, I certify that all the information listed above is true and correct and the installation address is served by Wabash County REMC. I understand that Wabash County REMC reserves the right to verify installation of the listed home appliance and that completion of this form does not guarantee my rebate. I acknowledge that Wabash County REMC's Energy Efficiency Program is subject to change and funding availability. Limit one rebate per unit per household. By accepting this rebate I give Wabash County REMC permission to install a load management switch on my electric water heater. I also verify that I have not applied for other rebates from Wabash County REMC or its power provider.
